LOCAL SUPPORTS LOCAL

By supporting a locally owned community bank, you can support your local school too!

We've been supporting the residents and businesses of our local communities since 1885, and in 2012 we established a new way to give back to schools. Since then, we've donated \$330,486.12 to area schools through our innovative Community Card program.

Scan the QR code to learn more, or give us a call to request a card today.
